On May 14, 2013, I served the following document(s) described as

on the interested parties in this action as follows:

PLAINTIFF IN PRO PER

BY MAIL: I placed true copies of the foregoing document(s) enclosed in sealed envelopes addressed as shown on the Service List. I am "readily familiar" with Wood, Smith, Henning & Berman's practice for collecting and processing correspondence for mailing with the United States Postal Service. Under that practice, it would be deposited with the United States Postal Service that same day in the ordinary course of business. Such envelope(s) were placed for collection and mailing with postage thereon fully prepaid at San Diego, California, on that same day following ordinary business practices.

BY ELECTRONIC SERVICE: Based on a court order or an agreement of the parties to accept service by electronic transmission, I caused the document(s) to be sent to the persons at the electronic notification address listed in the service list. I did not receive, within a reasonable time after the transmission, any electronic message or other indication that the transmission was not successful.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct and that I am employed in the office of a member of the bar of this Court at whose direction the service was made.

Executed on May 14, 2013, at San Diego, California.
